

# Quality Principles reflection grid

	Projects/elements of current work	1. Striving for excellence & innovation	2. Being authentic	3. Being exciting, inspiring & engaging
Example	Youth theatre	Focus is always on skills development and trying new things	Opportunities to perform twice a year on main stage	Continually trying new approaches to keep sessions fresh

4. Ensuring a positive & inclusive experience	5. Actively involving children & young people	6. Enabling personal progression	7. Developing belonging & ownership
<p>Ensemble productions play to each member's strengths</p>	<p>Members develop their own roles; could involve them more in planning cycle</p>	<p>Opportunities for members to progress from mini theatre to junior</p>	<p>Members encouraged to take ownership of productions, develop own roles, etc</p>
