

The Quality Principles: interpreted by Year 3, St Joseph's RCVA Primary School

1. Striving for excellence and innovation

Trying hard to be great and have new ideas

2. Being authentic

Being yourself or one of something

3. Being exciting, inspiring and engaging

Being exciting, trying to do something better, and working as a group

4. Ensuring a positive and inclusive experience

Making sure everyone is having a happy and positive time

5. Actively involving children and young people

Include all children and young people in the project and make sure they know what they are doing

6. Enabling personal progression

Having help to do something a little bit better

7. Developing belonging and ownership

Doing things in a new way, trying new techniques, and being proud of your own work
